

Seattle-King County REALTORS<sup>®</sup> and mortgage experts are presenting 10-minute reports every week on radio station KKOL AM as part of the “Sound Business” program hosted by Mike Siegel.

The real estate segments air every Friday from 7:21-7:31 a.m., and are followed at 7:36 by a 10-minute mortgage report. The guests, arranged in collaboration with the Seattle-King County Association of Realtors, discuss a variety of topics to help consumers better understand all the nuances of buying and selling a home. Market reports are presented once a month, coinciding with the monthly activity recaps from Northwest Multiple Listing Service.

The reports air on 1300 AM KKOL (“Seattle Business Radio”). To listen from a computer, go to [www.kol.townhall.com](http://www.kol.townhall.com) and click on the “Listen Live” button.
